Overall Length:

5.000 inches

Overall Width:

3.200 inches

Material Thickness:

0.032 inches

Side For Which Designed:

Right side

Aircraft Location:

Inbd/outbd gusset strut fairing

Aircraft Mission Design Series:

Aircraft model b-52

Special Features:

Opp -539

Material:

Steel

Material Specification:

Mil-s-25043 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-s-25043 spec.
