**Overall Length:**

14.200 inches

**Overall Width:**

2.300 inches

**Material Thickness:**

0.063 inches

**Side For Which Designed:**

Right side

**Aircraft Location:**

Inbd/outbd angle strut fairing

**Aircraft Mission Design Series:**

Aircraft model b-52

**Special Features:**

Opp - 801

**Material:**

Steel comp 4130

**Material Specification:**

Aa-qq-s-685 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
