Overall Length:

10.400 inches

Overall Width:

5.000 inches

Material Thickness:

0.050 inches

Side For Which Designed:

Left side

Aircraft Location:

Inbd strut gusset fairing

Aircraft Mission Design Series:

B-52 aircraft

Material:

Steel

Material Specification:

Aa-qq-s-685 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
