Overall Length:

6.300 inches

Overall Width:

2.200 inches

Material Thickness:

0.040 inches

Aircraft Location:

Firewall water injection system

Aircraft Mission Design Series:

B-52

Special Features:

C/o: suppor (1) 26-2043-502, nutplate(1) kz2000-3

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
