Overall Length:

16.900 inches

Aircraft Location:

Midspar, inbd strut

Aircraft Mission Design Series:

Aircraft model b52

Special Features:

Makebac 1509-100763

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-277 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
