**Overall Length:**

7.500 inches

**Overall Width:**

5.300 inches

**Material Thickness:**

0.080 inches

**Aircraft Location:**

Channel on support instl, aft cowl

**Aircraft Mission Design Series:**

B-52 acft

**Special Features:**

Opp 35-10720-144

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-287 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
