**Overall Length:**

1.300 inches

**Aircraft Location:**

Panel-engine wrap cowl, upper, assembly

**Aircraft Mission Design Series:**

B-52h

**Special Features:**

Manufacturer suggested name: clip; matl; make from bac 1505-100156, t4 temper

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-267 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
