Overall Length:

2.000 inches

Overall Width:

0.900 inches

Material Thickness:

0.040 inches

Material:

Steel comp 301 or steel comp 347

Material Specification:

Mil-s-6721 aisi, annealed military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-s-6721 spec.
