Overall Length:

26.000 inches

Overall Width:

13.000 inches

Thickness:

0.032 inches

End Application:

B-52

Material:

Titanium

Material Specification:

Mil-t-9046, grade 7, class 6 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700

Mil-std (military Standard):

Mil-t-9046 spec.
