**Overall Length:**

89.000 inches

**Overall Width:**

18.000 inches

**Material Thickness:**

0.040 inches

**Aircraft Location:**

Stiffener, outb tip assembly, trailing edge fairing, inbd strut

**Aircraft Mission Design Series:**

B-52 acft

**Special Features:**

Opp 25-2779-803

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
