Overall Length:

35.000 inches

Overall Width:

2.500 inches

Material Thickness:

0.050 inches

Aircraft Location:

Firewall instl, fwd

Aircraft Mission Design Series:

B-52

Special Features:

Tempered to t3; finish f-2.115

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
