Overall Length:

39.000 inches

Overall Width:

8.000 inches

Aircraft Location:

Frame instl, canted, nose cowl

Aircraft Station Number:

Sta 70.00

Aircraft Mission Design Series:

B-52h

Special Features:

Manufacturer suggested name: angle; opp -93; matl: bac1490-39x8.0, clad al aly sht, o temp, ht t4; fin f2.115

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
