Overall Length:

9.000 inches

Overall Width:

2.500 inches

Material Thickness:

0.080 inches

Aircraft Location:

Filler, frame instl, canted nose cowl

Aircraft Station Number:

70.00

Aircraft Mission Design Series:

B-52

Material:

Magnesium alloy

Material Specification:

Qq-m-44 cond h24 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
