Overall Length:

7.700 inches

Overall Width:

4.400 inches

Material Thickness:

0.063 inches

Aircraft Location:

Lwr 45 degrees skin splice intrcstl

Aircraft Station Number:

Sta 138.25-148.7

Aircraft Mission Design Series:

B-52

Special Features:

Opp 35-15322-61

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
