**Overall Length:**

9.700 inches

**Overall Width:**

4.300 inches

**Material Thickness:**

0.063 inches

**Aircraft Location:**

45 degrees skin splice intercostal

**Aircraft Station Number:**

Sta 148.7-158.7

**Aircraft Mission Design Series:**

B-52

**Special Features:**

Opp 35-15322-64

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
