**End Application:**

B-52

**Aircraft Location:**

Angle, frame instl, canted nose cowl

**Aircraft Station Number:**

70.00

**Special Features:**

Stock size and 10135-1005 by 3.900 in.

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-267 t4 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
