**Overall Length:**

5.000 inches

**Overall Width:**

2.500 inches

**Material Thickness:**

0.430 inches

**Aircraft Location:**

Inbd strut trailing edge fairing bulkhead

**Aircraft Mission Design Series:**

B-52

**Special Features:**

Opp 39-7648-803

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11500
