Overall Length:

2.900 inches

Overall Width:

2.500 inches

Material Thickness:

0.080 inches

Aircraft Location:

Inbd strut trailing edge bulkhead

Aircraft Station Number:

Ns 289.00

Aircraft Mission Design Series:

B-52

Special Features:

Opp 39-7648-506

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
