Overall Length:

3.000 inches

Aircraft Mission Design Series:

B-52

Special Features:

3.0 in oa dia; 0.75 in diameter hole centered

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-355 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
