End Application:

B-52

Aircraft Location:

Frame instl, nose cowl

Aircraft Station Number:

85.34

Special Features:

And10135-1002 x 39.5

Material:

Aluminum alloy 2024

Material Specification:

Qq-362-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
