Overall Length:

2.500 inches

Overall Width:

1.500 inches

Material Thickness:

0.025 inches

Aircraft Location:

Firewall installation, forward

Aircraft Mission Design Series:

B-52

Special Features:

Finish f-2.115; clip

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-372, tempered to t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
