Overall Length:

5.600 inches

Overall Width:

3.800 inches

Material Thickness:

0.250 inches

Aircraft Location:

Plate on aft outbd landing gear door

Aircraft Mission Design Series:

Kc-135

Special Features:

Opposite -1

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
