End Application:

S-70c-2 aircraft

Aircraft Location:

Support instl, engine controls, nose section

Aircraft Mission Design Series:

S-70c-2

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
