Overall Length:

1.700 inches

Overall Width:

0.600 inches

Material Thickness:

0.040 inches

Aircraft Location:

Cowl

Aircraft Mission Design Series:

B-52

Special Features:

Filler-tapered

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-355 t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
