Aircraft Location:

Web kit

Aircraft Mission Design Series:

B-52h

Special Features:

Manufacturer suggested name: bracket assembly; c/o: channe (-5: clad 2024-0) and filler (-7: clad 2024-t3) ; opp -4

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
