Material Thickness:

0.040 inches

Aircraft Location:

Stiffener, cowl body panel, lwr

Aircraft Mission Design Series:

B-52

Special Features:

17-7ph annealed ht treated 180-200, 000 psi

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
