Overall Length:

18.500 inches

Overall Width:

0.900 inches

Material Thickness:

0.063 inches

Aircraft Location:

Retainer strip door assembly

Aircraft Mission Design Series:

Kc-135

Special Features:

Finish f-2.110; opposite -81

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
