Overall Length:

46.000 inches

Overall Width:

2.000 inches

Material Thickness:

0.032 inches

Aircraft Mission Design Series:

Aircraft model b-52

Material:

Stainless steel

Material Specification:

Mil-s-25043 military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-s-25043 spec.
