Overall Length:

4.300 inches

Overall Width:

1.000 inches

Material Thickness:

0.625 inches

Aircraft Location:

Spacer fan reverser cowl ring

Aircraft Mission Design Series:

Aircraft model c/kc-135

Special Features:

Temper t4; finish f-2.30; opp -4

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-268 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
