Overall Length:

4.300 inches

Overall Width:

1.000 inches

Material Thickness:

0.625 inches

Aircraft Location:

Fan reverser cowl ring fan

Aircraft Mission Design Series:

Kc-135

Special Features:

Opposite -3

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-268 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
