Overall Length:

7.000 inches

Overall Width:

6.500 inches

Material Thickness:

0.050 inches

Aircraft Location:

Bracket-disconnnet support-hydraulic system

Aircraft Mission Design Series:

B-52

Special Features:

Usd as end plate; opposite pn 25-2668-803

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
