Overall Length:

14.200 inches

Aircraft Location:

Stiffener on mid spar outbd strut

Aircraft Mission Design Series:

B-52 acft

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-277 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
