Overall Length:

7.500 inches

Overall Width:

4.000 inches

Material Thickness:

0.063 inches

Aircraft Location:

Angle on longeron no.2

Aircraft Mission Design Series:

B-52 acft

Special Features:

Opposite to p/n 39-18420-6

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
