Overall Length:

1.600 inches

Overall Width:

1.200 inches

Material Thickness:

0.032 inches

Aircraft Location:

Cowl panel, canted frame

Aircraft Mission Design Series:

B-52

Special Features:

Opp 35-8220-31

Material:

Stainless steel

Material Specification:

Mil-s-25043, annealed, cond 2d military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-s-25043 spec.
