**Overall Length:**

7.600 inches

**Aircraft Location:**

Use as angle on frame installation, nose cowl station 77.80

**Aircraft Mission Design Series:**

B-52 acft

**Special Features:**

Opp 35-8648-14

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
