Aircraft Location:

Nacelle, side

Aircraft Station Number:

Fs189 to fs243

Aircraft Mission Design Series:

F-16c/d

Special Features:

C/o skin, plate, support, rivets

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4 t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
