End Application:

F-15

Aircraft Location:

Upper nose barrel

Special Features:

Supercedes 68a312025-2005

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367 t7352 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
