Cross Sectional Shape:

Flat

Width:

6.570 inches

Edge Shape:

Rectangle, no holes

Length:

29.800 inches

Body Thickness:

0.094 inches

Securing Device Type:

Hinge

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13, cond t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531m0
