Overall Length:

8.000 inches

Overall Width:

3.000 inches

Material Thickness:

0.080 inches

End Application:

Moving island nose door, landing edge c-5a acft

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
