**Overall Length:**

33.000 inches

**Overall Width:**

2.750 inches

**Material Thickness:**

0.063 inches

**Aircraft Location:**

Leading edge instl

**Aircraft Station Number:**

Ws121.0 to ws316.84

**Aircraft Mission Design Series:**

A-10

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/12-0 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
