Aircraft Station Number:

Panel assembly-floor, relief crewcompartment

Aircraft Mission Design Series:

C-5b

Special Features:

Doubler 14

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
