End Application:

C-135 aircraft

Aircraft Location:

Isolated power shell assembly

Aircraft Mission Design Series:

C-135

Special Features:

Material reinforced per usaf specification 12043a, type 1, class b; has four holes

Material:

Glass fiber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
