Overall Length:

18.700 inches

Overall Width:

2.400 inches

Material Thickness:

0.050 inches

Aircraft Location:

Attachment angle forward entry door lining

Aircraft Mission Design Series:

E-3a

Special Features:

0 temper

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
