Overall Length:

59.000 inches

Overall Width:

3.000 inches

Material Thickness:

0.016 inches

Aircraft Location:

Upper skin, aft section

Aircraft Station Number:

603

Aircraft Mission Design Series:

Aircraft model f-111

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-327 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
