Overall Length:

11.300 inches

Overall Width:

1.100 inches

Material Thickness:

0.040 inches

Aircraft Location:

Stiffener assembly

Aircraft Station Number:

Sta 112.093-164.824

Aircraft Mission Design Series:

F4

Special Features:

Ht t6

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
