Overall Length:

30.500 inches

Overall Width:

6.200 inches

Material Thickness:

0.040 inches

Aircraft Location:

Fillet flap skewed rib instl

Aircraft Mission Design Series:

Kc-135

Special Features:

0 temper, ht t4; finish 2.115

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
