**Overall Length:**

8.610 inches

**Aircraft Location:**

Spoiler stiffener

**Aircraft Mission Design Series:**

Aircraft model b-52g/h

**Special Features:**

Temp t6; finish-2.115; make from bac 1517-1058; opp -12; nha 35-2689

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-287 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
