Overall Length:

10.000 inches

Overall Width:

4.250 inches

Material Thickness:

0.500 inches

End Application:

F-16a/b usaf aircraft

Material:

Steel

Material Specification:

Mil-s-18729 finish d406 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-s-18729 spec.
