Overall Length:

48.000 inches

Overall Width:

48.000 inches

Material Thickness:

8.000 inches

Side For Which Designed:

Left side

Aircraft Location:

Upr drag support fitting, outbd nacelle wing

Aircraft Mission Design Series:

B-52

Special Features:

Heat treat t73; opp -516; nha 35-3190-518

Material:

Aluminum alloy 7075

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
