Aircraft Mission Design Series:

Kc-135

Special Features:

Material aluminum alloy 2024.0 qqa-250/5, heat treat t42, stock size 0.040x1.64x2.30

Supplementary Features:

Functional description: support angle, control cable boom

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
